

Supply Update

Polymer Optics remain at your service Coronavirus update

As reported in the news the UK is facing the increasing risk of Coronavirus (COVID-19).

Polymer Optics Ltd are pleased to inform our customers that supplies are all normal for now.

As the Polymer Optics team are mainly home based we are able to support your needs remotely, as we have been doing for the last 20 years.

We are still very much open for business and happy to arrange meetings with you either on the phone or by internet media conferencing to help you keep your projects on time.

Please subscribe to our newsletter to ensure you get the latest news and updates. We promise not to spam you and all newsletters come with links to un-subscribe.

Share this news with your team and on the social media platforms we are here to help keep businesses running.
