Why choose us?

WPG Americas Inc. is a member of WPG Holdings, a worldwide distributor of semiconductors, passive, electromechanical and display products. From design to delivery, we harness the latest innovations from industry leaders and connect them with our leading-edge design engineers and supply chain services, offering a complete solution in support of your ideas.

The Next LED Lighting Revolution Has Arrived

Meet Bianco. The All-In-One Tunable AC Input Light Engines.

White, Tunable White and Tunable White with Warm Dim featuring ERP Drivers Inside™

Game changing AC Input LED Light Engines with fully integrated driver electronics that offer versatile controls and quality tunable light at a competitive cost.

Learn more about this revolutionary product series now
